

The avant-garde design and the technology blend together to create strong and high-quality elements. This design is a timeless, singular and unalterable style proposal with a refined finish and the originality of its contours fill every space with elegance, precision and distinction.

Electronic built-in basin faucet (one water) with sensor integrated in the spout. Powered by batteries.

Application place: Basin

Can be operated at low pressure (below 1 bar)

Close detection

Finish: Chrome

Flexible supply hoses included

Flow rate (l/min - 3 bar): 6

Installation type: Built-in

Operating voltage (V): 6

Pop-up waste

Power supply: Batteries

Spout length (mm): 187

Water and energy saving

Water connection thread: 1/2"

Water flow restrictor
